

## Who are Earth Solutions - Avon Valley Inc & what do they do?

Earth Solutions- Avon Valley Inc are people from all walks of life who endeavour to live their life caring for their own particular environment and the environment as a whole.

Earth Solutions - Avon Valley Inc. was incorporated in April 2010 and has Giz Watson M.L.C. as the patron.

Earth Solutions- Avon Valley Inc educate how people can live in harmony with their environment by:

Recycling

Using Solar Power

Employing sustainable agricultural practises.

In recent years "sustainable environment" has become a topic discussed by companies and most governments world wide
