Malubillai Wildlife Carers Network Inc.

PO Box 595

VICTORIA PARK WA 6979

The name 'Malubillai' has been created from 2 Aboriginal words.

**Malu** meaning Red Kangaroo

**Billai** meaning Red Winged Parrot

Malubillai's Network of Carers cover the Metropolitan area and some rural towns and is run by skilled volunteers who facilitate the care of our injured, sick or orphaned wildlife.

We have a pro-active focus on the care and sensible management of our wildlife. The main aim of Malubillai is to return our wildlife back to a sustainable and natural environment.

Our Organisation receives little funding from Government and other agencies and relies on financial assistance from donations, memberships and sponsorships. Without this our volunteers would be unable to provide this service to our wildlife and the public.

Your support, either financially or hands on would be greatly appreciated by Malubillai for the wildlife we care for.

For further information please contact us on our Office Number; 9472 1055

or Mobile Number; 0412 609 104
